- ✓ Equipping clinical teams with seamless support
- ✓ Bringing the best of technology and human resources together

- ✓ Delivering value based services at affordable cost
- ✓ Helping physicians meet their business goals

Testimony of Our Service Excellence

“

I was looking to outsource billing to a professional medical billing company which can also take care of Account Receivables and can provide credentialing service. The American Billing Company is the perfect match if anyone is looking for these services in affordable pricing.

Martin Stein, M.D.

Gastroenterologist
