Affordable Solution

Expert Team

Managed Billing

Fast Processes

The most affordable medical billing solution for physician practices, giving them the maximum return on their labors.

Certified medical coding & billing team that meticulously serves physician practices at every scale.

Our all-inclusive medical billing service would successfully close the revenue cycle, setting you free to serve your patients.

From claim preparation to claim submission, we make sure that all the processes execute at optimized speed.

CODING & CHARGE ENTRY

Certified CPT & ICD coding specialists accurately assign the appropriate charge according to the codes.

CLAIM SCRUBBING

Claim scrubbing that guarantees 100% clean claims, accurate billing and removal of errors before submission.

CLAIM SUBMISSION

Electronic submission of clean claims to insurance companies, faster processing and maximum acceptance.

PAYMENT POSTING

Real time payment posting along with proper analysis of the explanation report and track of outstanding dues.

PATIENT STATEMENTS

Patient statements with summaries including accurate entry of outstanding balances and previous payment.

PRACTICE REPORTING

Daily, weekly and monthly reports to keep practices updated on the cash flow status and total AR review.

How we do it?

Our Process

We Prepare Clean Claims

Claim Submission

Our certified medical coding & billing experts prepare clean claims, double check it for inaccuracies, eliminate errors and successfully submit it.

We Follow-up

Claim Tracking

Our medical billing team keeps track of every claim submitted with AR aging reports and quickly responds if anything is further required by the payers.

We Post

Billing Reports

Our finance department posts payments, creates periodic reports of the cash flow and updates physician practices with real time insight and analytics.

Every Dollar Counts

NUMBERS SPEAK FOR THEMSELVES

Connect with the American Billing Company and never miss your revenue targets. We would make sure that you have received every dollar deemed to repay for the services you have rendered.
